

## LAS CRUCES YOUTH BASEBALL 2015 Scholarship Application

This year, the Las Cruces Youth Baseball Association continues our attempt at allowing every child in our district, with a desire to play baseball, an equal chance to play, regardless of ability to pay. LCYBA will be offering scholarship assistance to those families who are feeling the effects of today's tough economic times. Unfortunately, we have experienced situations where families have taken advantage of the league's generosity and abuse has been observed. These ongoing instances have led to a Board decision to formally evaluate each applicant's level of need so that the available funds are equally distributed.

To help ease the initial cost of registration, the league has implemented an on-line registration process and has opened registration earlier allowing families to pay their registration fees in monthly installments. If this type of payment plan is not an option, families can then apply for a scholarship.

The first step in this year's scholarship program will be completion of the LCYBA Scholarship application. After submittal and review, a personal and confidential discussion will occur to determine the level of scholarship funding available. The scholarship recipient will be required to give back to the league in the form of volunteer hours; the volunteer options are as follows:

- *Field Maintenance Support*
- *Game Day Field Prep*
- *League Sponsored Event*

Once an understanding has been reached, the applicant will be required to sign a formal agreement with LCYBA indicating acceptance of the scholarship terms.

If volunteer hours are not met by the end of the season, a player may be disqualified from future LCYBA scholarship opportunities, and the player will not be able to play in the post season. Deadline to turn in application in for consideration: February 21, 2015.

See you at the fields,
